

Teksentrik Workshop – Computer & Mobile Device Repair Warranty Overview

Thank you for choosing Teksentrik Workshop. Below is a summary of our repair process and warranty coverage.

Repair Process

- Free diagnostic before any work begins
 - Each device is carefully tested at intake to ensure an accurate diagnosis
 - No repairs without your approval
-

Warranty Covers:

- Parts we install and the labor for those parts
 - Covers defects in parts or workmanship only
 - *Used parts:* 30-day warranty on parts and installation
 - *New parts:* 1-year warranty on parts and installation
 - *Labor Only:* 30-day warranty
-

Warranty Excludes:

- Drops, liquid, or accidental damage
 - Issues unrelated to our repair
 - Tampering or repairs by others during warranty period
 - Normal wear and tear (e.g. battery aging)
-

Before Drop-Off:

- Back up your data – **we're not liable for data loss**
 - Disable any account/device security settings
 - Remove case and accessories
-

After Repair:

You'll receive a receipt and sign our brief warranty acknowledgment confirming these terms.
